Project Title: Tiger Woods

I would like this site to have multiple pages with a navigation bar at the top depicting the different categories. Each category would depict the different stages of Tiger Woods' career/accomplishments.

- **Home Page/Introduction:** A short introduction giving an overview of his accomplishments throughout his career as well as pictures showing who he is. Focusing on his achievements
- **Early life/Amateur Golf Career:** General information about his family and his early career with golf.
- **Professional Career:** His career once he turned pro in 1996.
- **Achievements/Honors:** A list of all his wins and records.
- **Legacy**
- **Sources:** list the Wikipedia Page and other sources used
